Login Wizard	
Please complete the following steps to ensure the initial set up of your account is fully complete.	
Terms & Conditions and Privacy Notice for e-Ifh.org.uk	
The e-LfH Hub terms and conditions have been updated. You are required to accept these new Terms and Conditions b the Hub. Please read the Terms and Conditions below and click the 'I accept these Terms and Conditions' button.	efore you are able to continue to use
The text here forms part of the terms and conditions of use that every e-Learning for Healthcare (e-LfH) user must accept befor also made this text publicly available on the e-LfH web site in the interests of transparency and updated based on the GDPR Et force on 25th May 2018. The text can be downloaded in pdf format if required. As e-LfH is part of Health Education England (He notice here.	e getting access to the e-LfH Hub. e-LfH has U article29 Working Party which comes into EE), you can view the updated HEE privacy
If you have any queries about any aspect of these terms and conditions, please contact enquiries@e-lfh.org.uk.	
Using e-Ifh.org.uk	
e-Ifn.org.uk is a collection of online resources provided as part of the Health Education England e-Learning for Healthcare prog use and viewing. Use of this resource is dependent on acceptance of these Terms & Conditions.	ramme and is maintained for your personal
You agree to use this site only for lawful purposes, and in a manner that does not infringe the rights of, or restrict or inhibit the u party. Such restriction or inhibition includes, without limitation, conduct which is unlawful, or which may harass or cause distress transmission of obscene or offensive content or disruption of normal flow of dialogue within this site.	ise and enjoyment of this site by any third s or inconvenience to any person, and the
What information does e-LfH hold?	
e-LfH captures certain information on each user as part of the registration process. This data enables the creation of an accurat reporting purposes and to offer users learning that is relevant to their needs. The data that is stored is limited to information rela place of work or membership number for a professional body (e.g. General Medical Council number). We will never ask for you information.	te user profile, which is necessary for sting to users' work, such as their job role, r home address or any other domestic
When accessing the e-LfH Hub, you will be asked to set up some security questions, which may contain personal information. enable users to log in if they forget their password and will never be used for any other purpose. The answers that users submit are encrypted in the database so that no-one can view what has been entered, not even e-LfH administrators.	These questions are solely intended to t when setting up these security questions
e-LfH also store a record of all learning activity by all users on e-lfh.org.uk, including posts on forums or other communication m Desk.	nedia, and all enquires to the e-LfH Service
How does e-LfH process the information we hold?	
Information collected by e-LfH is solely processed to deliver online learning and to store and report on users' learning activity. It with other organisations for commercial ourgoses.	will never be sold for financial gain or shared
Examples of how e-LfH might use the data held include but are not limited to the following:	
 For internal review. Customising the content and/or layout of e-lfh.org.uk. Notifying users about updates to e-lfh.org.uk. Gathering feedback or input on the service, content or layout of e-lfh.org.uk. Giving users access to their own learning history. Transferring users' learning activity records to e-Portfolio providers to give users a single record of all online and offline leapproval as part of the process to establish the link between the two systems. Transferring users' learning activity records for specific programmes to other organisations involved in medical training in 	earning. This would require users' explicit the healthcare arena. These organisations
